The magical world of New York Times best-selling authors P. C. Cast and Kristin Cast comes to comics!

HOUSE OF NIGHT

LEGACY

P. C. CAST AND HER DAUGHTER, KRISTIN CAST, may be new names to the comics world, but to genre fiction fans, they are the beloved co-authors of the incredibly successful series of novels set in the world of House of Night. Now the Casts bring these high school-aged vampyres to comics with an all-new story, tying in directly to the existing series!

Until recently, Zoey Redbird was an average high-school student worrying about grades, boys, and breakouts. But priorities have a way of changing when you are Marked as a vampyre, enroll in the vampyre academy House of Night, and have to figure out a whole new social hierarchy, affinities for elemental magic, and physiological changes that make you crave blood.

In House of Night: Legacy, set between scenes from Betrayed (second in the wildly popular House of Night series), Zoey is in desperate need of guidance as she prepares to take over the elite student group known as the Dark Daughters. Surrounded by her group of devoted friends, Zoey turns to The Fledgling Handbook, a historical vampyre tome, in hopes of better understanding this big, new world of vampyrism.

“Watching my characters and their world come to life with the fabulous team at Dark Horse has been fulfilling and fun,” said author P. C. Cast. “Fans are gonna love these comics!”

House of Night: Legacy is cowritten by Kent Dalian, with art by Joëlle Jones (Troublemaker, 12 Reasons Why I Love Her) and Karl Kerschl, Eric Canete, and others.

PRAISE FOR MARKED, THE FIRST NOVEL IN THE HOUSE OF NIGHT SERIES

“From the moment I stuck my face in this book it hooked me! Totally awesome new take on vampires! Marked is hot and dark and funny. It rocks!”
—Gena Showalter, author of MTV's Oh My Goth

“Readers will identify with many of the characters, especially the protagonist.”
—Library Journal

“Here is where the book grabbed me; I loves me some back story, and readers are told the story of Freya and the establishment of a House of Night chapter in Norway. Cast pulls from a rich tapestry of myth and legend and spins it in original ways to create the vampyre lore of the series.”
—SciFi Mafia

“I am sure this will appeal heavily to fans of the books but don’t be scared to pick it up, it’s funny and interesting. I was reminded of how rough growing up can be but, at the same time, I was impressed that it didn’t feel preachy. Give it a try, it’ll surprise you.”
—Geeks of Doom

“I really enjoyed the humor in this issue, it was cute and witty. I could hear these characters actually delivering these lines. The art is fantastic and really captures the emotion and moods wonderfully.”
—Bamfas
